Justin's Ocean Race Challenge

The first leg of the Volvo Ocean Race, the 6,500 nautical miles from Alicante, Spain, to Cape Town got under way last Saturday, and all local interest is concentrated on the efforts of Justin Slattery, who grew up in the parish with his parents, Jim and Breda, at Wilton House, Donanore. Thirty-four years old Justin is the bowman on the Green Dragon team. He was part of the winning Volvo Ocean Race team in 2005-'06, and he also participated in the 2001-'02 challenge. In 2004 he shared in a new Jules Verne record aboard Cheyenne, captained by Steve Fossett, circumnavigating the globe in 58 days. We will be watching his progress with great interest and we wish him the very best in his brave challenge.
